Re: Request to tour oyster farm and meet our family and our staff

Dear Secretary Salazar,

Yesterday, at a Conservation Funding meeting in Washington, DC, you announced that you were coming to Point Reyes and Drakes Estero.

During your visit to West Marin, we respectfully request an opportunity to meet with you, give you a tour of the oyster farm and the Estero and introduce you to our employees.

In light of the collapse of the seriously flawed Environmental Impact Statement process, your visit to the farm becomes even more important before you make a decision.

We look forward to meeting with you.

Sincerely,

Kevin Lunny
